Para acceder, debe ingresar al menú **Reportes** y, luego, a la opción **Ruta QuickPass Mobile**.

Esta opción le permite visualizar la ruta registrada por los dispositivos habilitados que utilizan QuickPass Mobile.

Cuenta con un listador mediante el cual podrá visualizar a través de un mapa la ruta registrada.

Para utilizar esta función, debe:

- 1. Seleccionar el **Dispositivo**.
- 2. Seleccionar la fecha del día a visualizar.
- 3. Hacer clic en el botón Q Buscar y listar .

De esa manera, el mapa indicará, con un puntero de color rojo, el **punto de partida**, con una línea azul, la *ruta realizada*, un círculo de color rojo para el **camino recorrido** y, con un punto rojo, el **punto de llegada**.

A continuación, podrá visualizar, también, el detalle de la ruta marcada. Tiene a su disposición, los horarios de cada sistema de coordenadas que se reproduce en el mapa.

A su vez, puede pulsar en el botón w ubicado en la columna "Geolocalización", del horario que desee, para saber la posición, en el mapa, del usuario, en ese momento exacto.
